

October 2022

42 years of Service to our Community!

The members of the Double Oak Volunteer Fire Department (DOVFD) request your support for their Annual Fund Drive. Your contribution is vital toward helping us meet the costs essential to our effectiveness and your safety.

The DOVFD is a **100% volunteer force**, providing Double Oak's emergency services. We rely on your generous tax-deductible donations. Like everyone else, our costs continue to rise, including fuel, supplies and services. We recognize that in the current economy we have a duty to be attentive to how we spend your donations. We scrutinize every dollar to ensure we remain efficient and effective with our budget.

In addition to hours of training, members also host the annual July 4<sup>th</sup> parade and picnic, Santa Tour, and respond 24-7 via voice pager for Fire & EMS calls. So far in 2022 our department has responded to over 180 calls for service.

We can always use new members, stop by the fire house any Monday night from 6:30-9:30 pm during our training and maintenance sessions. We look forward to seeing you soon.

We greatly appreciate your continued community spirit and financial support!

Sincerely,

Double Oak Volunteer Fire Dept
